

LETS MAKE SOMETHING

Game 32.

ABACUS

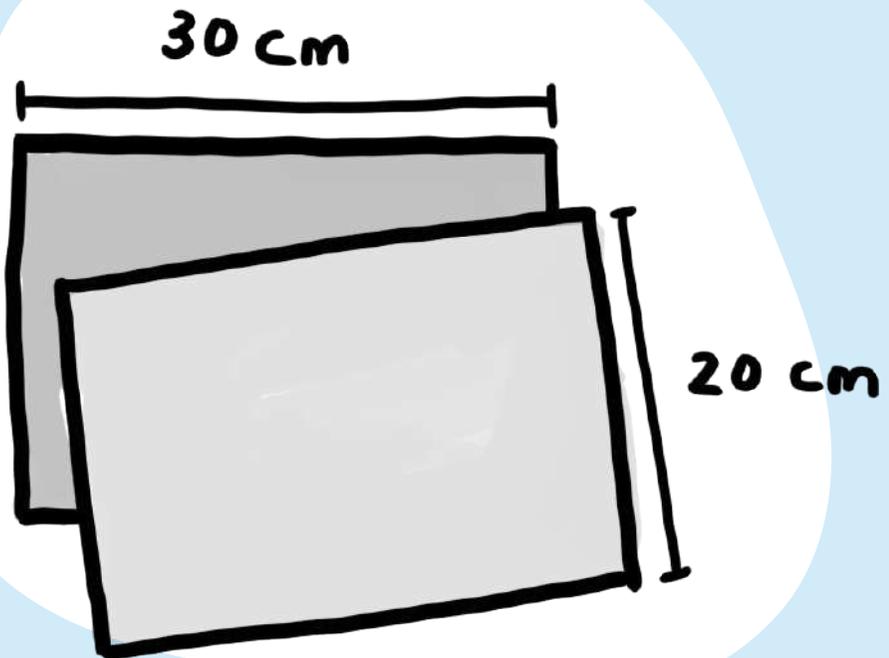

Instructions

Introduction:

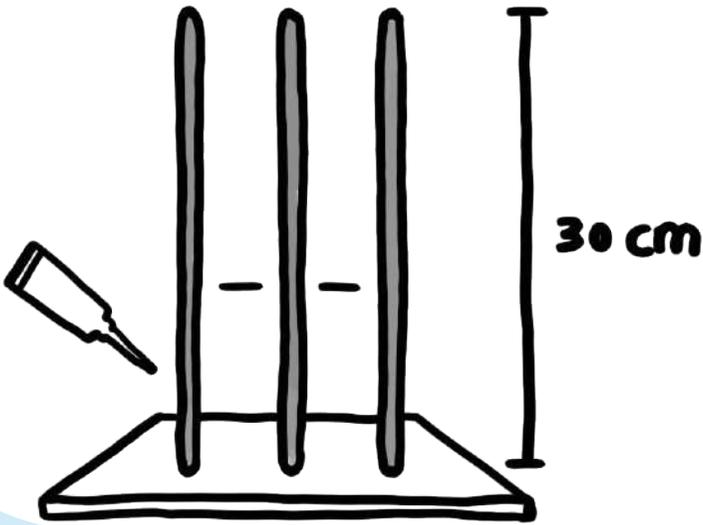

Materials:

Hard box, Glue or Cassava Paste, Paint, Bottle
Tops or Maize Cobs (At least 20), Bottle Tops,
Small Sticks or Wires

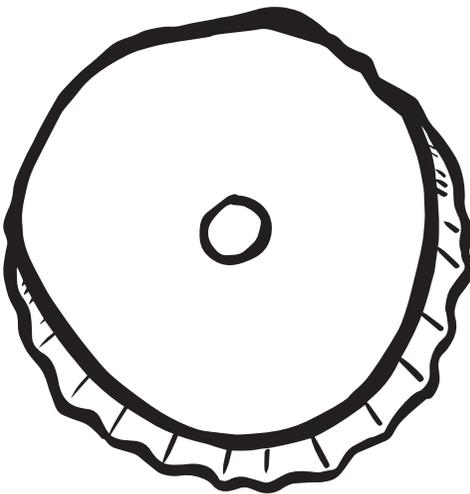

1

Cut the hard box into 2 pieces of
30 cm x 20 cm. Stick them together.
Paint them in a colour of your choice

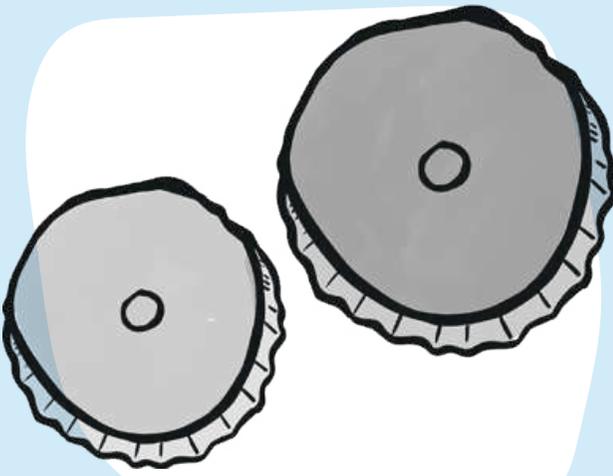

2

Cut 3 to 5 sticks or wires 30cm long. Tightly fix each one on the hard box with glue or paste. The sticks/wires should be in a line and evenly spaced apart on the box. If using sticks, ensure they are smooth.

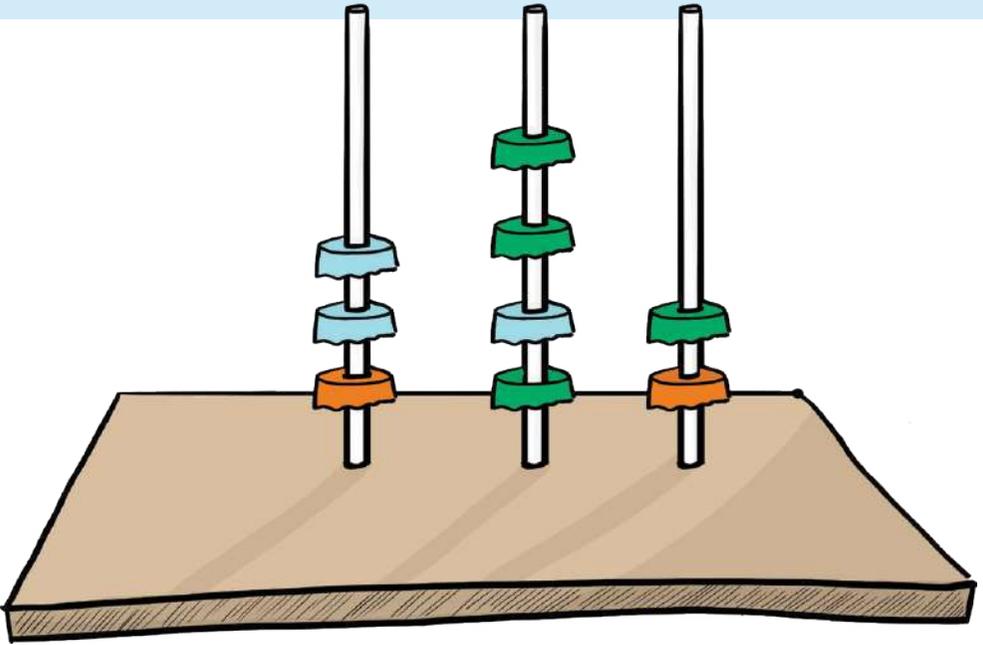

3

Make holes in the bottle tops/maize cobs big enough to allow the sticks/wires to pass through.

4

If using maize cobs, paint/dye them different colours. If using bottle tops, choose different coloured bottle tops or paint them.
