GETTING YOU STARTED

Table Of Contents

10 Games To Play

1. Act It Out
2. Object Run
3. Shape Animals
4. I Dare You
5. Making Stories Together
6. Water Bottle Bowling
7. Stick Puppets
8. Puppet Show
9. Puzzle Making
10. Make Toy Car

1

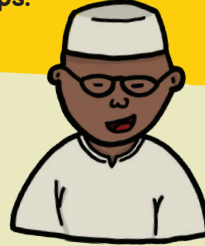

Hey!

Welcome to your new PLAYKIT.

We are so excited to meet you. We have made 10 exciting games for you to play with your children.

Are you excited?

Here are some tips.

2

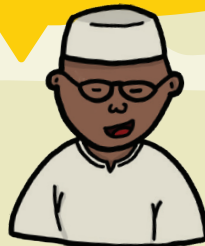

On our left is the table of contents with the list of games you can play.

You will also be able to award 2 beautiful badges to your children: one when you're done with the first 5 games and the final one after completing all 10. Awesome, right?

3

Was everything clear?
Let's get started!

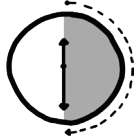

MATERIALS:

Word Cards Cut From Template,
Blank Cards To Add Words

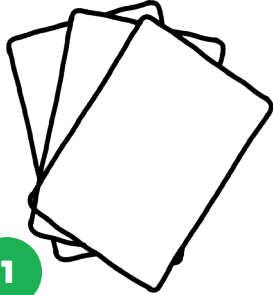

LEARNING AREA

Language and Literacy

INSTRUCTIONS ON HOW TO PLAY:

30 Min

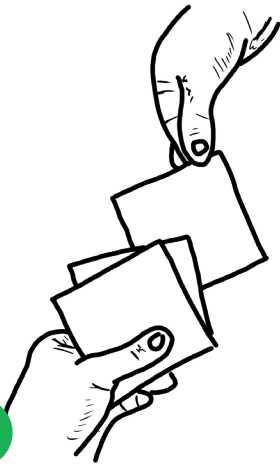

1

1. One child picks a card and does not show it to anyone else.

2

This child tries to get the others to guess what the word on the card is by acting out the word on the card and using their body movements. The child must try to do this without saying a word.

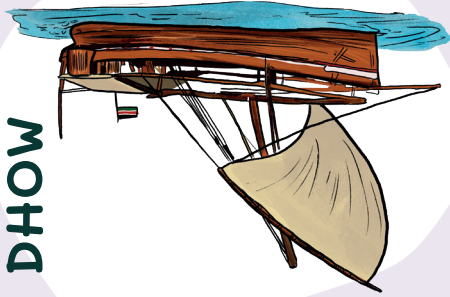

3

Let everyone take a turn to pick a card.

MUSIC ARTIST

Diamond Platnumz

ELEPHANT

DANCING

LION

DONKEY

GAME : Act It Out

Makes copies and cut on the dotted line and use the cards for the 'Act It Out' activity

MATERIALS:

4 Small Buckets or Containers, 2 Cups, Water or Sand

LEARNING AREA

Creative Arts and Movement

INSTRUCTIONS ON HOW TO PLAY:

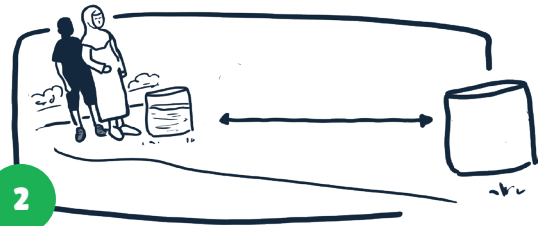

1 Hour

1

Have the 2 teams line up at a starting point and place a full bucket of water or sand at the front of each line

2

Set an empty bucket about 20ft away from each team

3

Give the child at the front the cup

4

Fill up the cup with water and run back and give the cup to the next person in line. The first team to fill their bucket to the top wins

5

Run back and give the cup to the next person in line. The first team to fill their bucket to the top wins

Final Results

03 SHAPE ANIMALS

MATERIALS:

Paper, Scissors, Pencils,
Tape or Glue

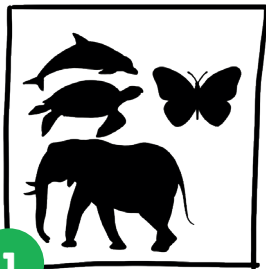

LEARNING AREA

Mathematics

INSTRUCTIONS ON HOW TO PLAY:

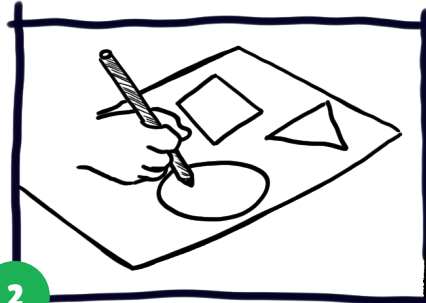

1 Hour

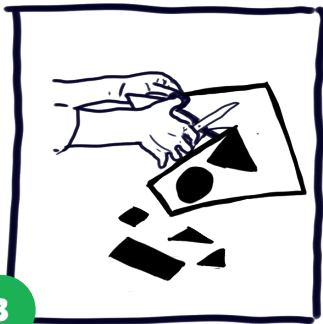

1

Choose the animal
you want to make

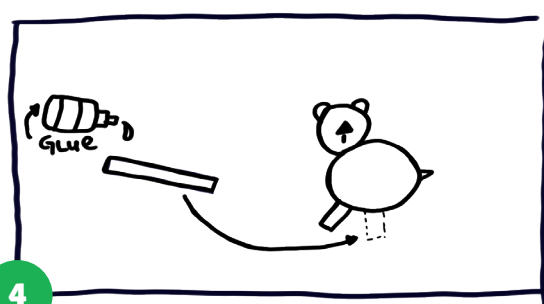

2

Draw basic shapes -
Rectangles, Triangles, Circles

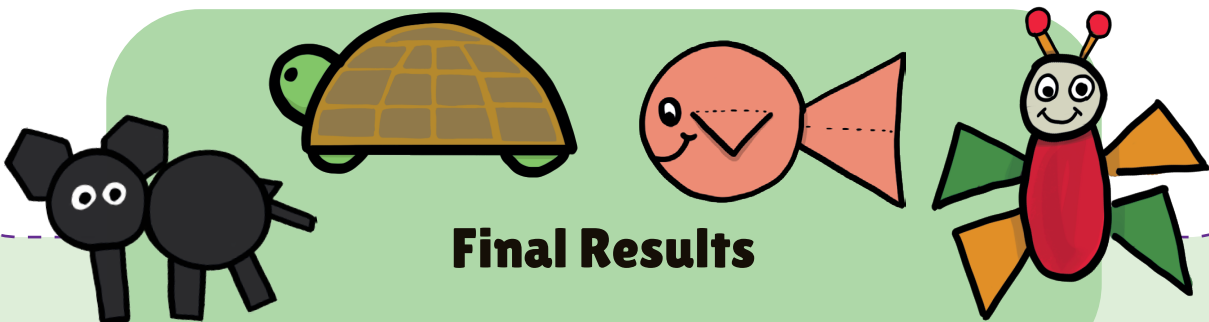

3

Cut the shapes

4

Glue or tape the shapes together to
make the animal you wanted

Final Results

MATERIALS:

Paper, Scissors, Green Crayon or Marker, Tape, Brown paint (optional), Paintbrush (optional)

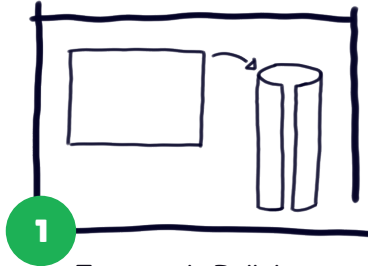

LEARNING AREA

Creative Arts and Movement

INSTRUCTIONS ON HOW TO PLAY:

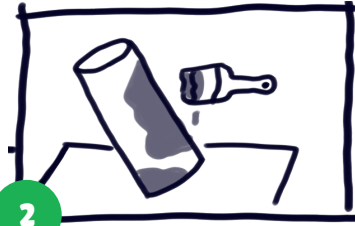

1 Hour

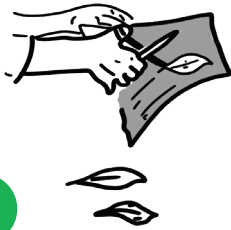

1

Tree trunk: Roll the paper into a tube and tape

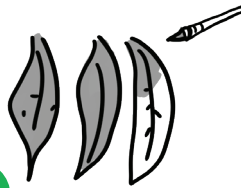

2

Paint the tree trunk brown and let dry (optional)

3

Tree Top: Cut some leaf shapes from paper for the tree

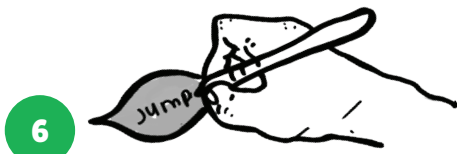

4

Colour the paper leaves green

5

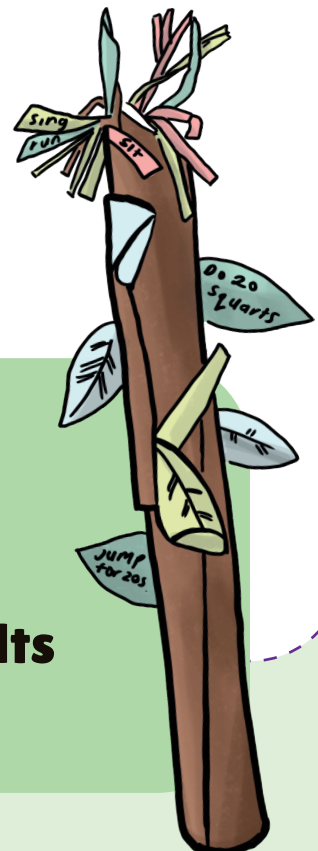

Attach the paper leaves to make a tree

6

On each leaf of the tree, write a dare. Choose a dare and complete it. Here are some examples of dares and you can create your own:

- Do your best lion roar
- Sing the ABCs/alphabet backwards
- Pretend to be a Giraffe or Elephant etc.
- Dance to a song
- Close your eyes and guess who is shaking your hand
- Jump on 1 leg

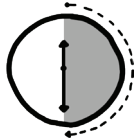

Final Results

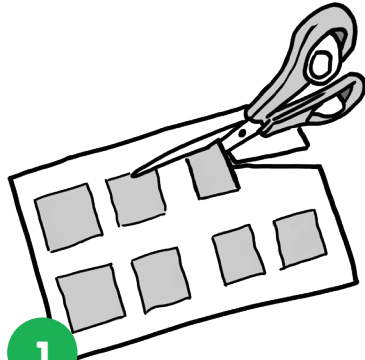

MATERIALS:
Alphabet Letters

LEARNING AREA
Language and Literacy

INSTRUCTIONS ON HOW TO PLAY:

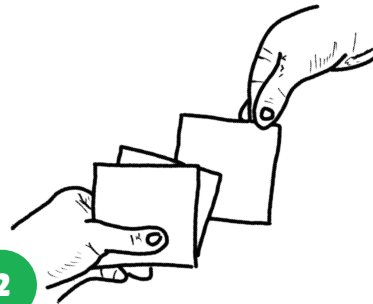

30 Min

1

Cut out the letters

2

Give each child a letter

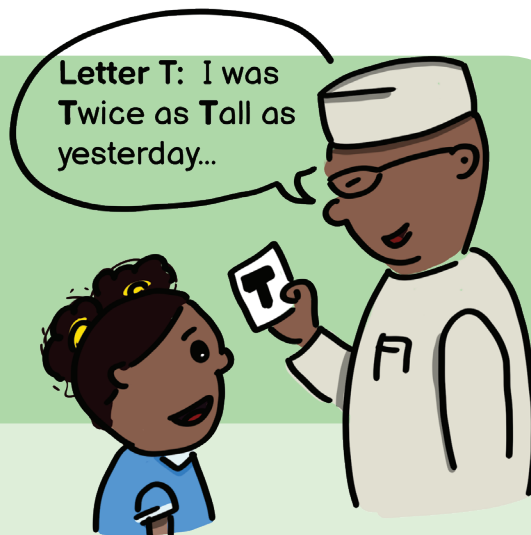

3

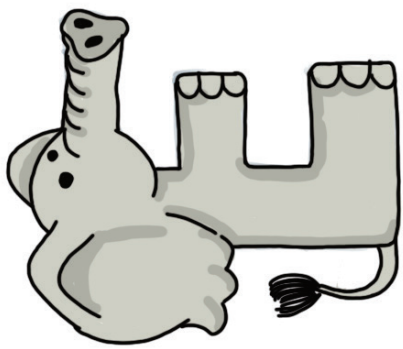

Ask one child to start telling a story based on their letter. Then have each child continue that story by adding to it using the letter that they are holding

FOR EXAMPLE

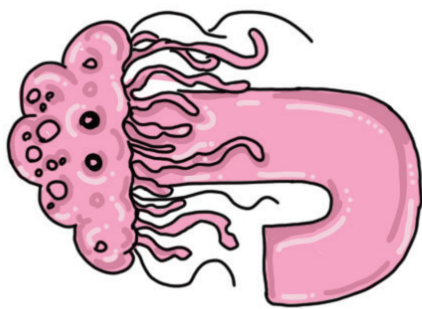

Letter M: I woke up one morning to find
Letter L: A lion in bed
Letter S: His stomach was making noises so I asked
Letter C: Would you like some chicken
Letter R: He replied. "You look tasty, are you good to eat"

06 WATER BOTTLE BOWLING

MATERIALS:

Ball, 10 Plastic Water Bottles, Water, Small Rocks or Sand

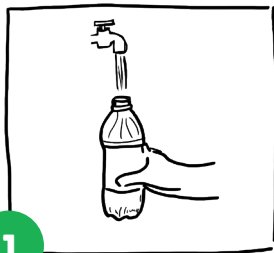

LEARNING AREA

Creative Arts and Movement

INSTRUCTIONS ON HOW TO PLAY:

1 Hour

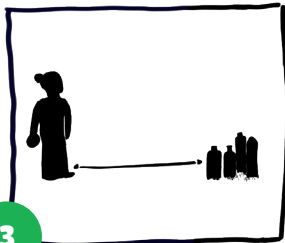

1

Fill the plastic water bottles halfway with water, rocks or sand

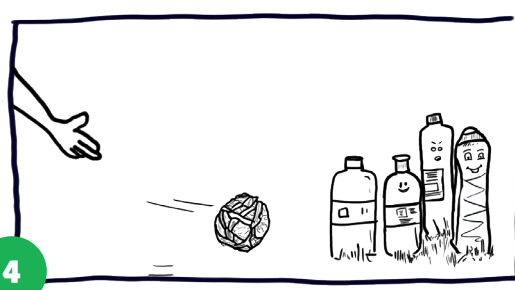

2

Line up the plastic water bottles or 3D Paper Animals in rows

3

Stand 10 steps away and face the bottles

4

Roll the ball and knock down as many as possible

Final Results

07 STICK PUPPETS

MATERIALS:

Paper, Coloured Markers, Scissors, Sticks, Tape or Glue

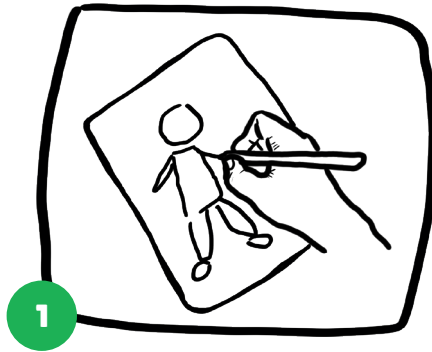

LEARNING AREA

Creative Arts and Movement

INSTRUCTIONS ON HOW TO PLAY:

1 Hour

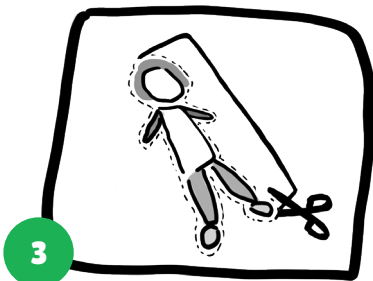

1

Draw your puppet on paper and make the face of a person or an animal

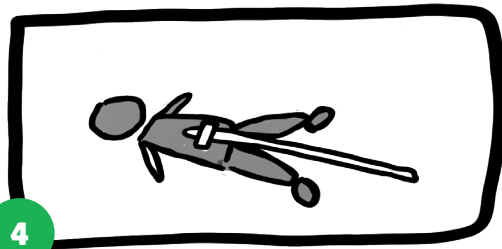

2

Add colour

3

Cut the puppet

4

Attach your puppet to the stick

Final Results

MATERIALS:

Stick Puppets

LEARNING AREA

Language and Literacy

INSTRUCTIONS ON HOW TO PLAY:

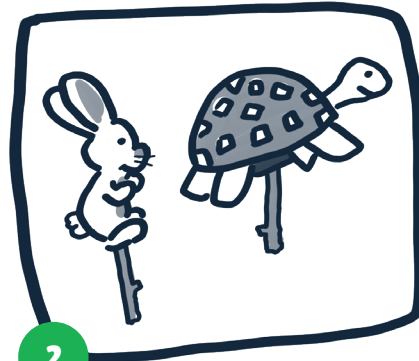

1 Hour

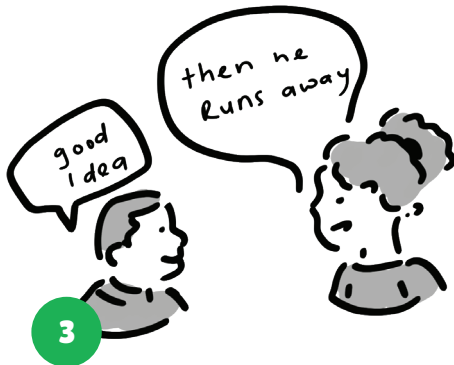

1

Pick a familiar story (for example, "The Hare and the Tortoise" or "Goat Matata")

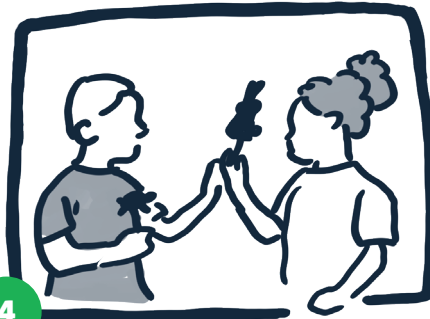

2

Make puppets for the different characters in the story

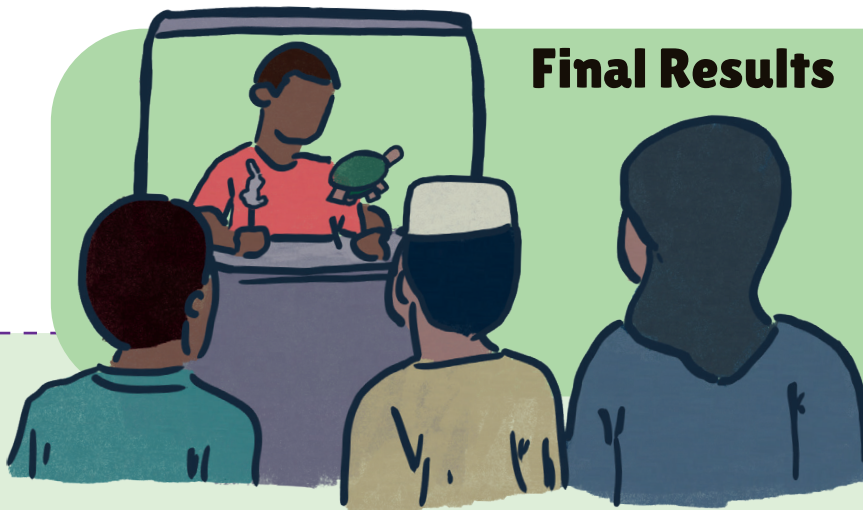

3

What are the names of your characters?
What do the characters do in the story?

4

Work together to perform the story using your puppets

Final Results

MATERIALS:

Paper or Cardboard, Coloured Markers, Scissors

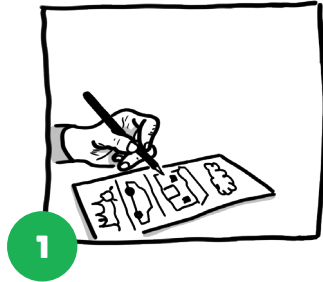

LEARNING AREA

Creative Arts and Movement

INSTRUCTIONS ON HOW TO PLAY:

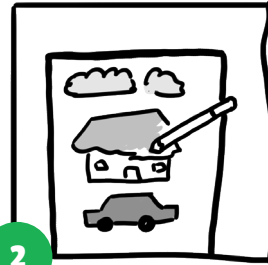

1 Hour

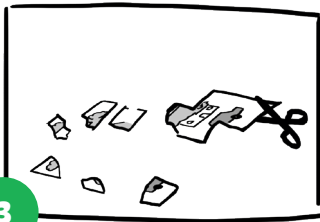

1

Draw a picture on a piece of paper and cover as much of the paper as possible

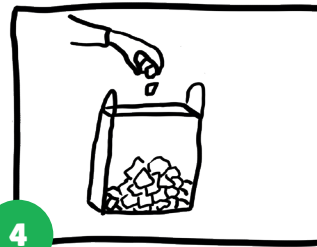

2

Colour in the picture

3

Cut the paper into several puzzle pieces, like rectangles or triangles

4

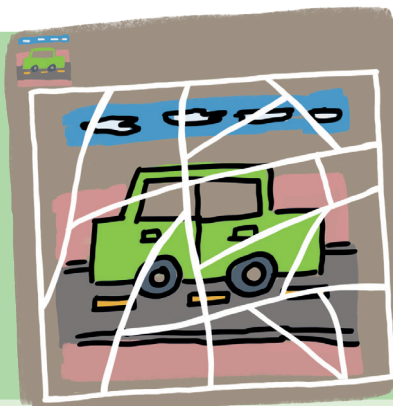

Mix up the pieces in a bag

4

Rearrange the pieces to make your picture again

Final Results

10 MAKE TOY CAR

MATERIALS:

Plastic Bottle, 4 Bottle Tops, Wooden Sticks, String, Knife or Scissors

LEARNING AREA

Science and Technology

INSTRUCTIONS ON HOW TO PLAY:

1 Hour

1

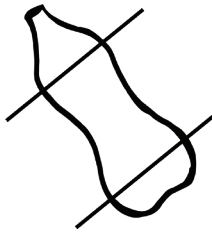

Clean the plastic bottle.

2

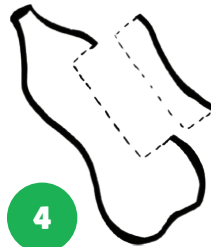

Cut two holes on each side of the bottle.

3

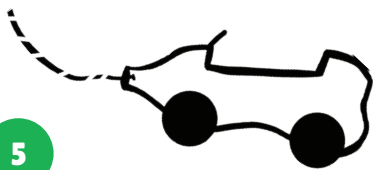

Put the sticks through the holes. Make a small hole in each bottle top and attach them to the sticks.

4

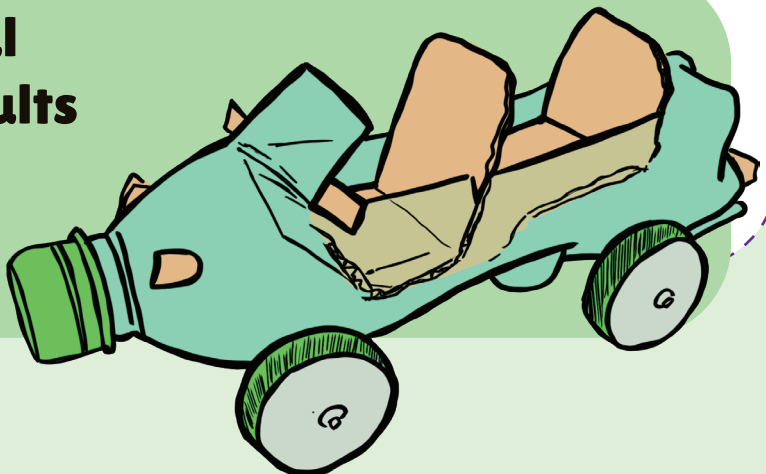

Cut the upper part of the bottle slightly after placing the wheels (making room for the chairs or carrying things)

5

Tie a string to the neck (top part) of the bottle. Pull the car using the string
