OR

Use the **filters** to adjust your search.
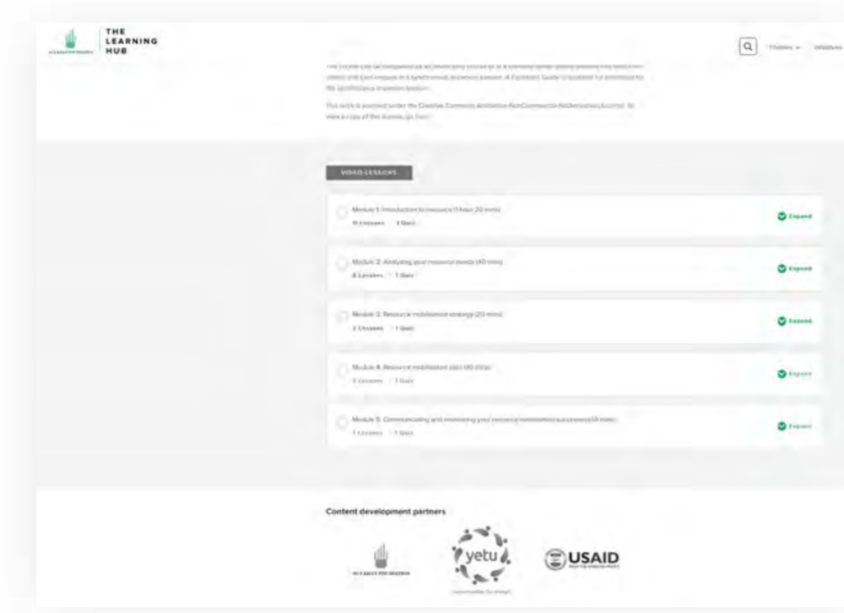

3. Enrol in the course

Click on the green **ENROL NOW** button on the right.
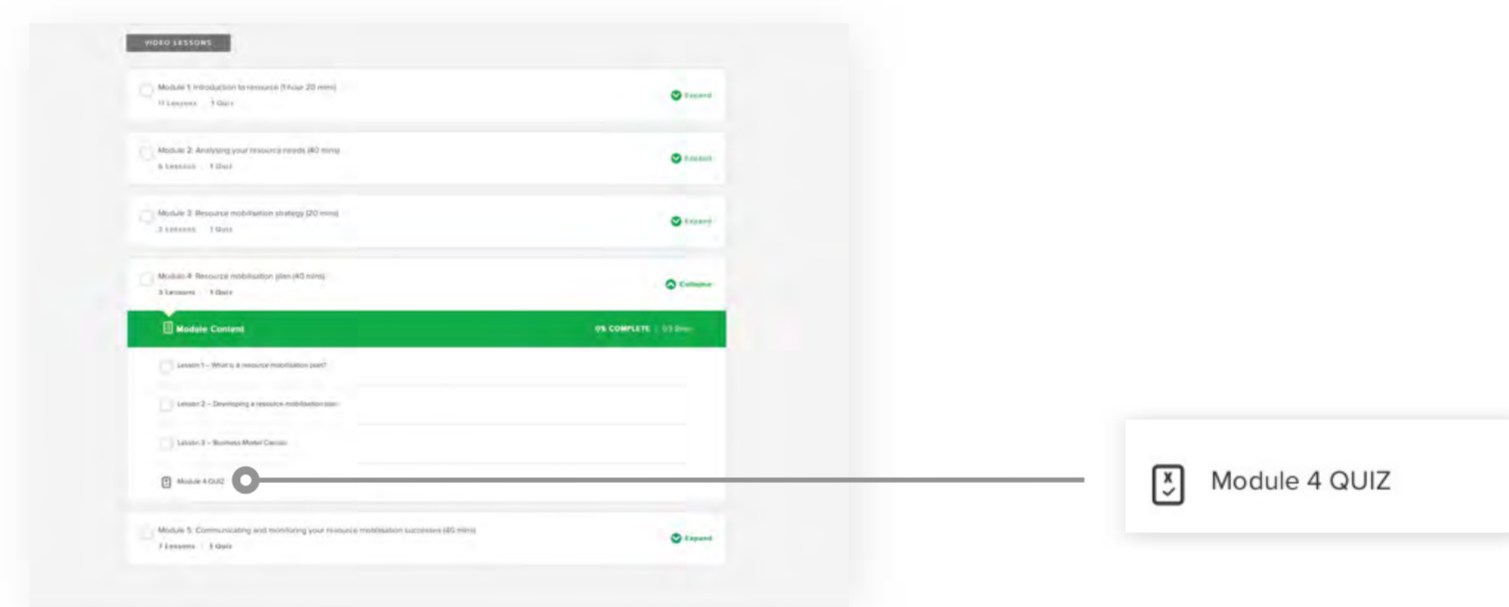

How do courses work?
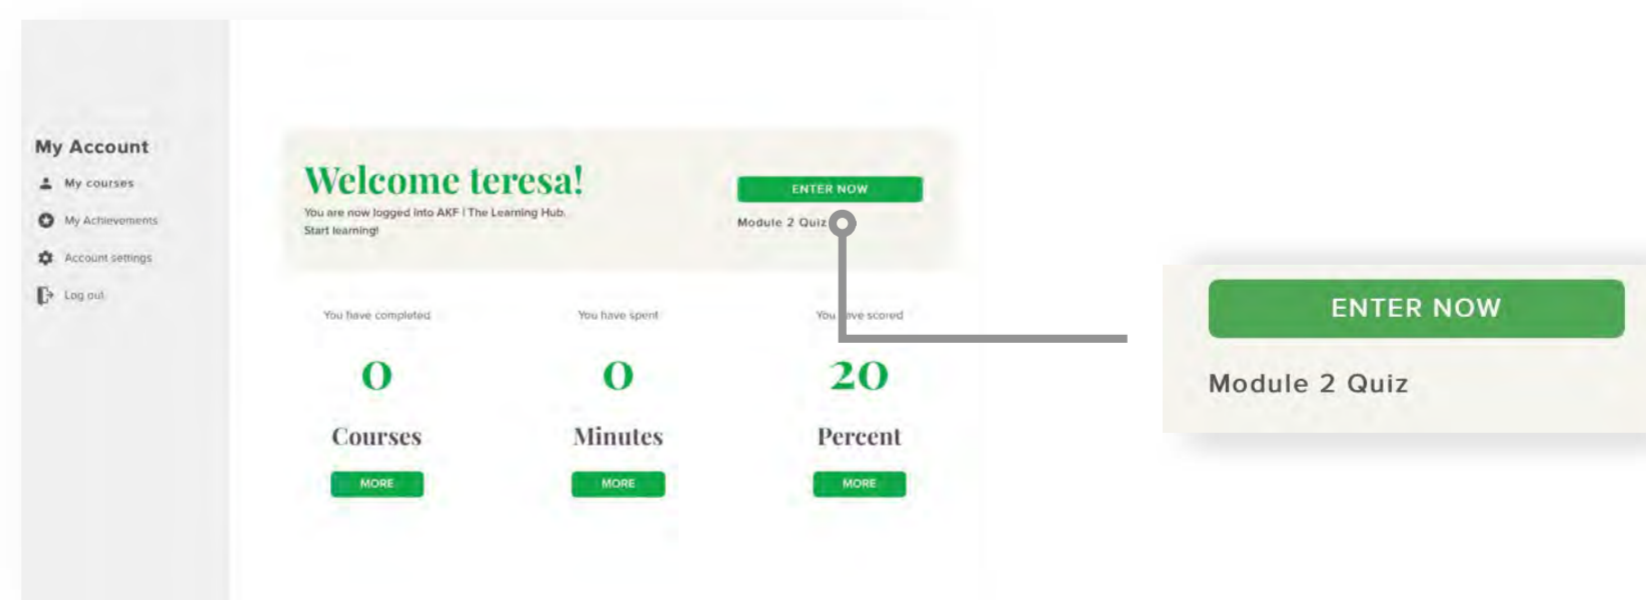

1. Modules and lessons

Each **course** on The Learning Hub has one or several **modules**. Each module contains one or several short **video lessons.**

2. Quizzes

At the end of each module, you will find a short **self-assessment quiz**. You need to complete the quiz and get a **score of at least 70% to continue to the next module**.
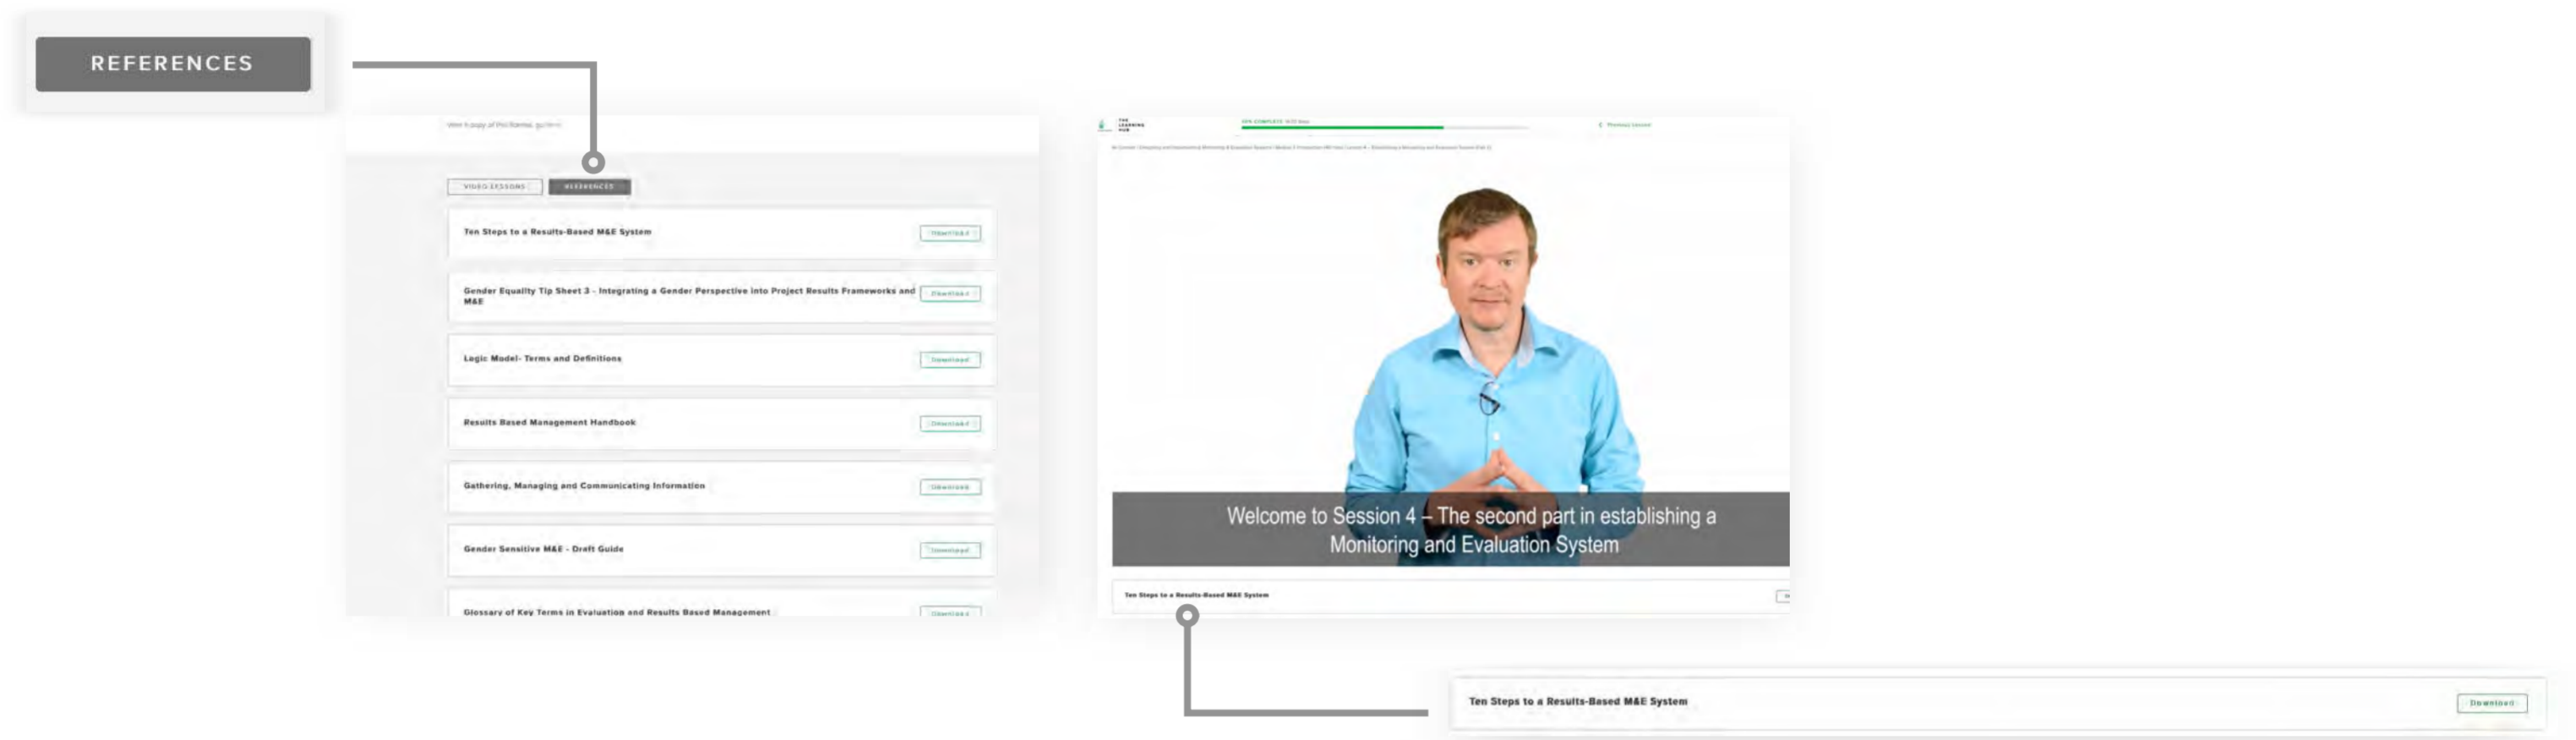

3. Progress

The Learning Hub tracks learner progress. This allows you to pick up where you left each time you **log into** the platform. To check your progress, log into The Learning Hub, click on **My account**, and then on **ENTER NOW.**
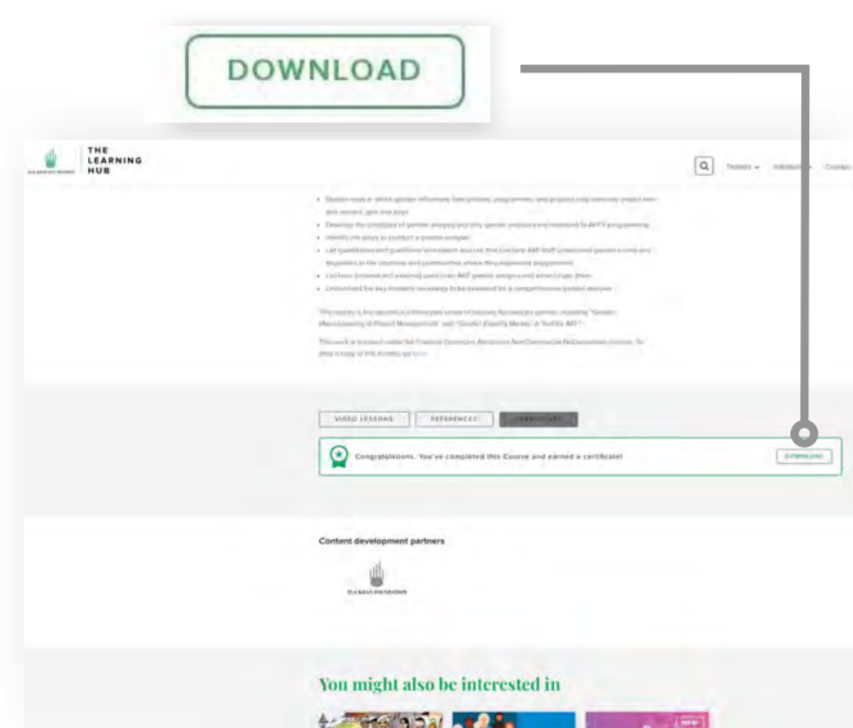

How do courses work?

4. Reference materials

Some courses on The Learning Hub have additional resources such as exercises and reading materials. To access these, scroll down the course page and click on the **REFERENCES** tab.

5. Certificates

You can **download your course certificate** as soon as you successfully complete the course.

OR

Log into The Learning Hub and and scroll down the course page and click on the **CERTIFICATE** tab.

Log into The Learning Hub, click on **My account**, and then on **My courses**. Under the list of **Completed** courses, click on the **medal icon** to download your certificate for that course.
